The purpose of this briefing is to provide study information and to solicit your feedback. This briefing will address alternatives for providing the facilities needed to meet projected levels of passengers and aircraft operations. Two more briefings will be scheduled to review additional study findings as the plan progresses through its final elements.

This briefing is scheduled to begin at 1:30 pm, Thursday, June 15, 2017 at the Punta Gorda Airport Board Room - Building 313, 7375 Utilities Road, Punta Gorda, FL, 33982. Please plan to attend this briefing and assist us with this important undertaking.
